## Our Company

Capstone Professional Resources is the culmination of 25 years experience in the public and private sectors. Our people have worked directly for the Federal Government, in the private sector providing services to the Federal Government, and led public-private partnerships between public entities and the private sector.

We have broad experience in program and project management across various industries and organizational management of various sized government entities and private-sector companies including business management, logistics, training, facilities/resources management, and human resource management. Our experience makes us uniquely qualified to provide a broad range of goods and services to the Federal Government.
